### Programme for 2005-2006

We will post the [programme](#) as it becomes available.

Most workshops in series 1 and 2 will take place in the Leslie Stephen Room, Trinity Hall. Series 3 will be held at Girton College on Huntingdon Road. Both colleges are marked on the [University Map](#), and the rooms will be signposted from the Porters' Lodge. Each workshop runs from 10:00 to 12:30, with a break for juice and biscuits. On the last date in each series, parents and guardians are invited to attend a reception, when certificates will be presented. Refreshments and a bookstall will be provided.
