#### The Committee

Liz Crook Chair

Ruth Williams Treasurer, Fellow Girton College

Tom Korner Fellow Trinity Hall

Fran Watson Nrich

Lisa Bowley Website Manager
Houyuan Jiang Judge Business School,

**Cambridge University** 

**Dennis Richardson** 

**Alan Thompson** 

Cheryl Dye Witchford Village College

Louella Prince Netherhall School
Mike Hancock Hinchingbrooke School
Naiomi Barratt Hinchingbrooke School

The Committee is a team of volunteers who give freely of their time to organise and support the masterclasses. We are always looking for new people who would like to help with running the classes, on Saturday mornings, or administration through the year. Please contact a member of the committee or email via the website if you are interested in helping us.

## **Mathematics Masterclasses in Cambridge**

Series 3 2016/7

| The Programme |
|---------------|
|---------------|

| 7/1/17  | Mathletic                                                                                                       | S                                 | with Cheryl Dye            |
|---------|-----------------------------------------------------------------------------------------------------------------|-----------------------------------|----------------------------|
| 14/1/17 | Origami                                                                                                         | with Fran W                       | /atson                     |
|         |                                                                                                                 | rinity Hall Co<br>uced by Louella | llege Lecture<br>a Prince  |
| 21/1/17 | What a Coincidence! When maths is stronger than the paranormal with Clément Mouhot Introduced by Louella Prince |                                   |                            |
| 28/1/17 | Topology with Maria McArdle Introduced by Liz Crook                                                             |                                   |                            |
| 4/2/17  |                                                                                                                 | ithmetic<br>uced by Kate B        | with Julia Goedecke<br>ell |

The sessions are based in the Bridgetower Room in Trinity Hall College Cambridge.

Parents/Guardians are kindly requested to arrive in time for a 10am prompt start (but no earlier than 9:30am) and to return by 12.30pm to collect their child.

There will be a reception for parents after the last session at which certificates will be presented.
